## CASEY UNDERDESK STORAGE

Both classy and functional, the Casey range adds a touch of fashion-like quality to your office. Fitted with 3 utility drawers of different sizes, a Casey will keep all of your personal files organized whilst being pleasing on the eye with a deft, curved finish.

### FEATURES

- This mobile pedestal boasts a combination of two personal drawers and one file drawer to meet your storage needs efficiently.
- Crafted from cold-rolled steel sheet, this mobile pedestal ensures durability and longevity.
- Our pedestal arrives fully assembled, saving you time and effort in setup. The top drawer features a plastic pen tray, and you have the flexibility to adjust its position according to your preferences.
- Enhanced Security: With a gang locking system and two keys included, your confidential documents and belongings are kept secure
- The file drawer is equipped with a hanging bar, accommodating Letter Size, A4, and Legal file folders, making it versatile for your document storage needs.
- The front casters lock, providing stability when needed, while the back casters allow for easy mobility. The bottom drawer has a single caster for added stability and maneuverability.
