## DYNAMO FILING CABINET

Keep your filing streamlined and organized with the Dynamo filing cabinet. A must-have for the storage of any non-digital paperwork, this cabinet has a central locking mechanism to keep documents secure.

### FEATURES

- Dimensions: Compact yet spacious, 133.1cm (H) x 46cm (W) x 62cm (D)
- Crafted from cold-rolled steel, the drawers boast thickness variations of 0.5, 0.6, and 0.7 mm for robust durability.
- Efficient File Storage: Each drawer is thoughtfully designed with an integrated metal hanger, making it ideal for filing away your important documents and folders.
- High-Security Lock: Your sensitive files are protected with a high-security access control lock system, complete with two keys for added peace of mind.
- The Dynamo White 4-Drawer File Cabinet is recommended for use in commercial and institutional environments, such as banks, hospitals, and government facilities, where organized document storage is crucial.
