## FLEXI DOOR CABINET

The taller version of the Flexi Door Series. Designed with tambour doors for minimal space disruption and ease of use, this wardrobe-style storage has 4 adjustable height shelves so you can tailor your storage to your personal preferences.

### FEATURES

- Dimensions (cm) = 185H x 90W x 45D
- Thickness (mm) = 0.6 & 0.7
- Features a manual slide mechanism with a flexible backing material for easy access
- Stability on Any Surface: Four adjustable feet provide stability on uneven surfaces by adapting to different heights.
- Quality : The tambour door is constructed from Acrylonitrile Butadiene Styrene (ABS), combining durability with a sleek look.
- Flexible Shelving: This cabinet comes with four height-adjustable shelves, allowing you to customize the interior to suit your storage requirements.
- Secure Lock: Keep your items protected with a key lock, accompanied by two keys for your convenience.
