PRO-GLIDE STORAGE

Slotting underneath personal desks with ease, choosing a Pro Glide for office storage makes sense from both a practical and a capacity perspective. Fitted with a tambour door for minimal open and close disruption, the extra space in this storage piece caters to more than the typical filing storage capabilities of traditional setups.

FEATURES

- This mobile caddy combines a 3-drawer unit on the right and a tambour door on the left, offering versatile storage options.
- Convenient handle openings provide easy access to your belongings.
- The dedicated file drawer features a metal hanger, ensuring your documents are well-organized and within reach.
- Key Lock Security: The key lock system, allows you to securely lock both drawers and the tambour door for added peace of mind.
- The top drawer includes a pencil tray for keeping your writing utensils and small items neatly arranged.
- Our mobile caddy is designed for easy assembly, saving you time and effort.
- Equipped with six reinforcement casters, including three front wheels with brakes and three back wheels without brakes, making it easy to move and secure in place.
- Anti-Tilt Mechanism: For safety and stability, the caddy includes an anti-tilt feature, ensuring only one drawer or door can be open at a time.
- Inside, you'll find one adjustable shelf, providing additional organizational options.
